SONS OF NORWAY BERNT BALCHEN LODGE – PRESIDENT’S MESSAGE

Greetings Lodge Members! A great time was had at the Fish Boil dinner! This Wisconsin tradition was brought to our lodge by Wayne and Sandra Johnson and has been on the calendar ever since. Big thanks to Merlin, Jacob, Wayne, and the many volunteers for a delicious dinner and really big show!

This summer our friluftsliv group leader Marti, scheduled many outings and even added berry picking to the last one. We can't thank her enough for bringing our members together in the great outdoors.

As we move into fall we are looking forward to the Faar-I-Kaal dinner, lefse making for the October Nordic Market, and a special visit with Norway's Ambassador and Finnish Consul General - more details inside this newsletter on pages 2 and 3.

We have done well to keep things moving and keep members informed during this pandemic and are now slowly getting folks back into the lodge. As we plan for more gatherings we are following the Anchorage Health Department's recommendations. The Faar-I-Kaal dinner will be served in the lodge with limited seating OR available for takeout. RSVPs are required for both. Other fall dining events are still under consideration.

Stay connected with timely updates and information on lodge activities through e-blast. To sign up send a request to Marcus at publicity@sofnalaska.com And always feel free to reach out to any of the lodge's board with questions and suggestions.

In closing, I want to recognize the loss of one of our cherished members – Anton Johannes Zahl Meyer. Anton and his wife Pia joined Sons of Norway in 1968. He was a Past President of our lodge, and Honorary Consul of Norway in Alaska for 23 years. He enriched our lodge with his stories, sense of humor, and quick wit and will be greatly missed. Our deepest condolences are extended to Pia, Karin, Anne, and their families. (Full obituary on Page 7).

*Fraternally yours,
Linda Bustamante, President
Sons of Norway, Bernt Balchen Lodge*

Personal story - I just had a 30 year Grandson diagnosed with Multiple Sclerosis earlier this summer. Because of this he will likely have some limitations on his ability to work the construction jobs he has been doing. He has three children under the age of 5. I took out life insurance for him when he was in high school. Not a lot to start with, \$25K, but I did get a Guaranteed Premium Option with it that gave him eight opportunities to add to his coverage without medical exams thru age 40. Without this rider it is unlikely that he could get additional Life Insurance. With the rider he can exercise his option to increase the amount of his coverage by \$50K four more times before he reaches age 40 which will give him coverage over \$200K at his death, and something to support his spouse and kids when he dies. This is why you take out life insurance for your kids. You never know what the future holds for them.

In Remembrance

Anton Johannes Zahl Meyer February 11, 1935 - August 11, 2021

Anton Meyer, 86, passed away at home in Anchorage, Alaska, on Aug. 11, 2021, due to kidney disease.

He was born to parents Nils Andreas Zahl Meyer and Elfrida Nikoline Johnsdatter on Feb. 11, 1935, in Leirfjord, Norway.

Anton placed first in his class at Landbruks Agricultural School in Trondelag, Norway. He earned an engineering degree from Goteborg Tekniska Institute in Sweden, in 1962. Before doing so, he completed his obligatory military service in Stavern, Norway, serving from 1956-57.

While at a dance hall in Goteborg, Anton met Pirkko "Pia" Raiskio, whom he married in Pia's hometown of Pori, Finland, on July 21, 1962.

Anton worked as a civil engineer in Napier, New Zealand, 1962-64; in Seattle, Wash., 1964-66; then drove the Alcan while Pia was pregnant. After establishing themselves in Anchorage, he began working for BP as a civil engineer, later opening his own firm. He designed many buildings in Anchorage in the 1970s-80s. Anton proudly became an American citizen in 1976. He was a dedicated member of the Anchorage Downtown Rotary Club, Central Lutheran Church, Travelers Club of Oslo and Sons of Norway Bernt Balchen Lodge, where he served as president.

For 23 years he served as Honorary Consul of Norway in Alaska. In 1997, Anton received the King Olav V medal from his majesty King Harold VI of Norway, for his contributions to Norwegian culture and community. He was also a published author of two books about the northern region of Norway. He built many cabins, including a beautiful 10-acre traditional Norwegian farm in Palmer, where his grandchildren spent many summer days driving tractors, harvesting potatoes and taking part in various building projects. Anton staked land in Hatcher Pass and developed subdivisions in the valley. He was a gifted artist, world traveler and genealogist, and very knowledgeable in history, geography and culture all over the world.

Although we are sad now, our memories of his intellectual curiosity, his sense of humor, quick wit and the endless possibilities he saw as a hard-working Norwegian immigrant who found Alaska a land of limitless opportunity and adventure, are an inspiration and comfort to us. He will be laid to rest at Angelus Memorial Cemetery in a private family service.

In lieu of flowers, donations can be made to Sons of Norway, Bernt Balchen Lodge, 8141 Briarwood St., Anchorage, AK 99502.

Anton is survived by his brothers, Frits Meyer and Nils Meyer; his loving wife of 59 years, Pia Meyer; daughters, Anne McCormick (Patrick) and Karin Wanamaker (John); and grandchildren, Christian McCormick, Sophia McCormick, Ava McCormick, Hawken Wanamaker, Sterling Wanamaker and Hayden Wanamaker. He was preceded in death by his parents; and brother, Johan Magnus Meyer.

John Eng May 31, 1947 - Jul 23, 2021

John Eng, 74, a leader in the Alaska construction industry and co-founder of Cornerstone Construction in 1993, died unexpectedly early on Friday, July 23, 2021, of natural causes at home.

He is survived by his wife, Lynn Ann Eng of Anchorage; two sons, Jason, 51, a web developer of Carson, Calif., and Geoffrey, 46, a set lighting technician of Winnetka, Calif.; and his sons' mother, Marilyn Jane Cady of Bellevue, Neb. He is also survived by two younger sisters, Carol Eng of Waco, Neb., and Sandra Henson Brim and husband Billy Brim of Whitsett, N.C.

Charitable giving was a habit with John and he became a philanthropist, giving generously to many organizations including Anchorage Rotary, the Alaska Sudan Medical Project, Sons of Norway and many others. He often bought raffle tickets en masse at charitable functions and then donated the proceeds back to the charity if he won. He endowed the C. John and Lynn Ann Eng Construction Management Scholarship at the University of Alaska Anchorage, as well as a college scholarship program in his hometown of Waco.

In addition to being a member of the Sons of Norway, John served as president of the Associated General Contractors of Alaska, the Alaska World Affairs Council and Anchorage Rotary. "Integrity" and "generosity" are two words that best describe John in the minds of both family and friends. And he loved to mentor younger co-workers. He was able to talk easily with anyone from a service worker to the most successful people he encountered in his professional life.

In the words of his younger son, Geoffrey, "He was the best role model in the world."

Older son Jason said, "He was a great man, a generous man and the best father I could ever have been blessed to know."

His close friend Adam Heath of South Dakota said, "He was the most well-read person I ever met."

In addition to his wife, two sons and two sisters, he is survived by three grandchildren, Desmond Trond and Scarlett Jane Eng by son Geoffrey and his wife Season Marie Eng; and Alina Rose Eng by son Jason and his wife Arlene Dulay Eng. He is also survived by nephew and godson, Charles Henson and his wife Shannon of Griswold, Conn., and their children Henry and Olivia.

Cards and notes to the family are welcome at P.O. Box 111391, Anchorage, AK 99511.

John's remains were cremated, as was his wish. A Celebration of Life will be scheduled at a future date.
